The [Smart Water Song](#) encourages pre-school children to save water and turn off leaky taps. It is written and performed by well-known NZ children's entertainer, Chris Lam Sam from THE FUNKY MONKEYS.

## CHORUS

Smart Water! Smart Water!  
We need to Save it yes we do!  
Smart Water! Smart Water!  
Smart Water starts with you!

## VERSE 1

Water's used by everyone  
We all need it to grow  
Water's used by everyone  
We need to slow the flow!  
  
Saving wai is TINO PAI!  
Let's save enough to share  
Saving wai is TINO PAI!  
That's good Smart Water care!

## CHORUS

Smart Water! Smart Water!

We need to Save it yes we do!

Smart Water! Smart Water!

Smart Water starts with you!

## VERSE 2

Little drips from leaky taps

Can waste our water fast

Little drips from leaky taps

Won't help our water last

Check your taps and TURN THEM OFF!

If you see a drip

Check your taps and TURN THEM OFF!

That's one Smart Water tip!

## CHORUS

Smart Water! Smart Water!

We need to Save it yes we do!

Smart Water! Smart Water!

Smart Water starts with you!

Smart Water starts with you!

Smart Water starts with you!
